**FROM THE PRESIDENT  
& SECRETARY**

It is hard to believe that December is here, which means so is Christmas!!! After Christmas we have New Years Eve "**BANG**", it's 1999!! Have you booked your place for the **20TH ANNIVERSARY PARTY, JAN. 29, 30 & 31, 1999?** If not, do so right away to make sure there is room for you. **RSVP no later than Dec. 21, 1998!!**

At this point we would like to make a comment about the Committee. This AGM, the President and Secretary/Treasurer stand down as well as 5 other committee members. According to the Constitution clause 8(e) and 9(d):

**Any committee member standing down after completion of their term shall be eligible for re-election.**

**Committee members may be nominated for the positions of president and secretary/treasurer and if elected nominations will be called for to fill any positions vacated on the committee.**

We, as a committee, feel it is time for some **NEW BLOOD, NEW IDEAS AND NEW FACES**, to take on the job of ALDECC'S future. The past 2 years have been a lot more work as we have been organising the 20th Party. The years to come will be just as important in terms of keeping everyone interested in having a reunion each year and keeping the ALDECC members up to date through the Newsletter.

The role of the president has been to call and chair meetings and help to direct discussion and keep the ideas of what ALDECC is all about, "**keeping in touch with our friends from the road on a regular bases**" in the for front.

The Secretary/Treasurer is listed as the Public Officer and must collect and bank money due to ALDECC as Subs and reunion payments, plus other money which comes through ALDECC. The books must be kept up to date for the audit at the end of each financial year, Dec. 31. All cheques paid out must be passed by the Committee and signed by the President and Secretary. The Secretary/Treasurer is a job that does require some understanding of book keeping. The Newsletter has been compiled and produced by the Secretary/Treasurer thus far. A computer does help. This job could be done by other committee members in terms of compiling the information and running it off. Several members help to put the Newsletter in envelopes and out to the members.

It is important that people standing for the Committee are able to get to the meetings as everyone is needed to help plan the yearly reunion and assist with information for the Newsletter. In fact, "**every**" member can help with the Newsletter by sending or ringing information to the Sec., as some members have done in the past.

Please consider if you can give some time for our committee. If you are interested let someone on the committee know or ring Barb, 03 9789 0102. We want some new people up for nomination and elected PLEASE.

**20TH ANNIVERSARY PARTY**

A reminder to everyone who is coming to the party. Have a look through your boxes and cupboards for **MEMORABILIA** to share with others. There will be a video player to show any videos you might have and an area will be organised to put photos etc.

### COMMEMORATIVE PORT

If you wish to order the **COMMEMORATIVE PORT**, at \$15 per bottle, which has the **20TH ANNIVERSARY LABEL**, please let Barb Know on 03 9789 0102 or send your order by **Dec. 21, 1998**. We need to know how many to order.

### 20TH ANNIVERSARY T SHIRT

T shirts have been made for this 20th reunion at a price of \$22 each. The shirt is a polo style and we have 2 colours, White with black motive and royal blue with white motive. These will be available at the 20th reunion.

### TRANSPORT

If anyone is interested in going up to Valley Homestead on Fri. morning Jan 29, there is a coach leaving Frankston at 9am. The committee is going up early to organise a few things. If you wish to go early ring Barb 03 9789 0102.

The usual coach will be leaving from opposite the Concert Hall in St. Kilda Rd at 6:30pm. Look for a Moonee Valley Coach and you will be right.

**Have a safe & happy holiday time!**

**Regards,**

**KB, BARB & THE COMMITTEE**

MESSAGES FROM AROUND AUSTRALIA

We wish to pass on to those who knew Gae Mowbray that she passed away several months ago. Gae was a very dear friend to Rosemary and Graeme Trease and has joined us at the ALDECC reunions many times. Gae was a very satisfied Centralian passenger over many years.

## The First Time

The sky was dark  
the moon was high  
All alone  
just she and I

Her hair was soft  
her eyes were blue

I knew just what  
she wanted to do

Her skin was soft  
her legs so fine

I ran my fingers  
down her spine

I didn't know how  
but I tried my best

I started by placing  
my hand on her breast

I remember my fear  
my fast beating heart

But she slowly spread  
her legs apart

Now when I did it  
I felt no shame

All at once  
the white stuff came

At last it finished  
it's all over now

My first time ever  
Milking a cow!!!!

Thanks, Simone!!

*A few points to help ease those  
consciences over the Festive Season...*

### DIETING UNDER STRESS

1. If you eat something & no one sees you, it has no calories.
2. If you drink a diet Coke with a chocolate bar, the calories in the chocolate are cancelled out by the diet Coke.
3. Things licked off knives and spoons have no calories if you are in the process of preparing something.
4. Food used for medicinal purposes NEVER count. To help sleep, hot chocolate before bed.
5. If you fatten up everyone else around you, you look thinner.
6. TV and movie related foods do not have additional calories because they are part of the entertainment package and not part of one's personal fuel. Chocolates, lollies, pop corn and potato chips fit into this category.
7. Biscuit pieces contain no calories. The process of breaking causes calorie leakage.
8. When you eat with someone else, calories don't count if you don't eat more than they do.
9. Foods that have the same colour have the same number of calories. Examples: lettuce & pistachio ice cream, radish & white chocolate

Merry  
Everything  
Happy  
Always!
